

SUPERVISED ACCESS CENTRES – Funded by Ministry of the Attorney General Dufferin County

The Supervised Access Program offers separated families a way to deal with some of the difficulties that may arise at the time of the exchange of the child between the parents, or between the parent and a relative, or there may be concerns about the visits themselves

The Supervised Access Centres provide a setting where visits and exchanges can take place under the supervision of trained staff and volunteers

Ministry-funded supervised access centres provide fully supervised on-site visits in a group setting and supervised exchanges when access occurs off-site
